OPDs

### The way forward

#### Learning objectives

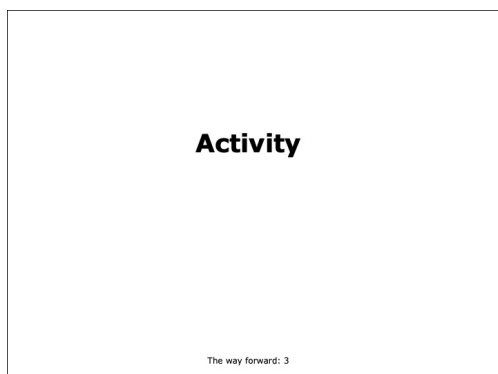

By the end of the session participants shall be able to:

- List actions they will take as OPD leaders to drive CBID as a result of the training.

The way forward: 2

**Read** the learning objectives and explain that this final session is to consider how participants can lead their OPD members forward in collaboration with other stakeholders to achieve Community Based Inclusive Development (CBID).

## 2. The way forward (70 minutes)

**Introduce** the activity.

**Explain:**

- We are going to now consider the way forward from this training: what OPDs can do, and what other stakeholders can do to support OPDs role in achieving CBID and meeting the UN CRPD, Disability Act and SDGs.

### Trainer's Notes:

*The theme of this discussion can be adjusted based on the discussions you have had during the week but try to ensure that participants are thinking of practical steps they can take following the training. Also ensure you have identified any challenges to the OPDs being able to take their leading role in achieving CBID so that the programme more broadly can identify ways to address these.*

### Activity: The way forward

Groups	<b>Divide</b> participants into two groups. (these will still be big groups but it will help generate different ideas to split the group in two for this activity).
Instructions	<b>Ask</b> each group to discuss the next steps to be taken to ensure that OPDs play a leading role in driving CBID as a strategy to achieve the UN CRPD in Zanzibar. Ask them to consider what role they will have moving things forward, and what they would like to request from other CBID stakeholders.
Monitor	<b>Check</b> the groups are on track.
Time	<b>Allow</b> 40 minutes for group discussions, and then facilitate a plenary discussion asking each group in turn to mention on of their discussion items.
Feedback	<b>Ask</b> participants what would be helpful to them in achieving their objectives after this training.

**Thank** the participants for their active contributions during this training.

**Distribute** the evaluation forms.

**Remind** participants to join the WhatsApp groups if they have not yet done so, to help their networking with other stakeholders.

**Close** the session.
